EDITOR'S NOTEBOOK

Dear Archie Readers,

Now that most of you are more than halfway through the school year, along with the entire Archie Comics' staff, I decided that you could use a break. A spring break. To be more specific, ARCHIE'S SPRING BREAK #1! Yessiree, guys and gals, it was bound to happen. In this brand new 48-PAGE GIANT SPECIAL, Archie and his friends invade Florida's beaches. However, with Ms. Grundy and their principal Mr. Weatherbee along as chaperones, everything should be under control. Yeah...right! More like out of control. Especially when the kids' parents get an eyeful of their "little darlings" on the family TV set. This is definitely an issue you won't want to miss. Look for it on sale March 26, 1996.

For many years MAD DR. DOOM has tried to achieve global domination. Little Archie has always been a thorn in his side. Whenever

Dr. Doom would come close to reaching his ultimate goal, Archie would thwart his plans. It's now years later, Archie is a teenager, computers and Virtual Reality have come to Riverdale. And yes, so has Mad Dr. Doom. You'd think that after all these years, Dr. D would call it quits. But he's obsessed with trying to conquer the world, and at the same time outwit his nemesis Archie. Knowing Archie as we all do, you'd think that shouldn't be a problem. But this is a comic book, and Mad Dr. Doom is green; Archie has what appears to be a checkerboard on the side of his head. Whadaya expect? Anyway, pick up a copy of WORLD OF ARCHIE #19 JUNE and be sure to read "Here VR, Dr. Doom and Me!" It's also on sale March 26.

Bobcats

Like its cousin the house-cat, a bobcat meows and purrs and likes to take naps. Otherwise known as the "wildcat," bobcats live from southern Canada to Mexico in deserts, swamps and mountains. They have striped and spotted fur, tufted ears, a fringe of neck fur and a short "bobbed" tail. The female bobcat raises a litter of up to six kittens by herself. By playing roughly with others, the kittens learn hunting skills. A bobcat's favorite food includes hares, rabbits, rats, mice and gophers.

Wildcats united against people taking their fur!
